Axiom Foreign Growth Portfolio

Fund category

Global Equity Balanced

Investment objective

Axiom Foreign Growth Portfolio seeks to achieve long-term capital growth by investing primarily in a diversified portfolio of U.S. and international equity mutual funds that provide exposure to a number of industrialized countries outside of Canada, including countries in Europe, the Far East and Asia, and emerging market countries, with some global exposure to fixed income securities for diversification. The overall fund objective can be considered aggressive.

Why invest?

Axiom portfolios provide a diversified investment solution with the wisdom of proven portfolio managers from around the globe.
